

## **Summer Reading and Math Assignments Rising First Graders 2024**

Primary Prep Families,

Kindergarten has been an exciting time for our students! They have built the necessary skills needed to continue their reading and writing journey. This summer, the students are to choose 3 books from the list they are interested in and complete 3 book reports. The students are encouraged to read, talk about, and write about the book they chose. Encourage the students to discuss the book and also complete the book reports neatly. More detail regarding **how** and **when** to submit the book reports coming soon.

Students will also be completing a math journal during the summer months. Your child will bring home a journal with a Math Calendar attached. Please encourage your child to complete the math calendar daily to practice their math skills. More detail regarding **how** and **when** to submit the book reports coming soon.

### **Summer Reading Book Choices:**

**Where the Wild Things Are - Maurice Sendak**

**Knuffle Bunny - Mo Williams**

**Henry's Freedom Box - Ellen Levine**

**Kitten's First Moon - Kevin Henkes**

**A Chair for My Mother - Vera Williams**

**Finding Winnie - Lindsay Mattick**

**Last Stop on Market Street - Matt de la Pena**

Have a warm and healthy summer! See you in September!
