Rising Third Graders
Summer Packet

Directions:

During the summer, have your child complete the following packet of reading and math assignments.

<u>Summer Reading:</u>

- Read 2 books according to your child's reading level. Their reading level has been emailed to you from Ms. Veloso or Ms. Kelly.
- Each student must read two books depending on their reading level from the chart below. They are to complete ONLY one book report based on one of the 2 books they have read.

<u>Book Report Directions:</u>

Page 1:

On page 1, fill in all 6 boxes about the story elements- title, author, characters, setting, problem, and solution. Remember to look back in the story that you read to help.

Page 2:

Put the events of the story in sequential order. What happens in the story First, Next, and Last. Make sure to answer in complete sentences with capitalization and punctuation.

Page 3:

Write about your favorite part of the story. You must write at least 3 sentences. Remember Capitalization and punctuation. Explain why it was your favorite part and then draw a picture.
