

## **Summer Reading and Math Assignments Rising Second Graders 2023**

Hello Primary Prep Families,

There is nothing better than grabbing a good book and heading to the beach. Well this summer, we have chosen some great books for your child to read. You will receive your child's reading level, and your child will choose a book from that level to read and use to complete the attached book report. The book report will be due on the first day of school in September. Please be sure to check your child's work and make sure that it is neat and written in complete sentences, as this will be graded. Feel free to read the other books on the list with your child, or check out the books on the Caldecott award list to add to your summer reading experience.

Your child will also complete the end of year math assessment. This will be sent home in his/her folder at the end of the year. The math assessment will be due on the first day of school. Again, please make sure to check our child's work.

Enjoy the wonderful summer season, and we look forward to seeing you in September!

Best Regards,  
The First Grade Teachers

# Summer Reading List
