

Hello Third Grade Parents!

The time has come for the end of third grade, which means a summer book report. The students will all be reading The Tale of Despereaux by Kate DiCamillo. They will each complete the attached book report. It will be due the first day of school in September.

Please make sure:

- The report is neatly handwritten in pencil.
- Each section includes the proper number of sentences.
- Each section is completed with proper grammar and punctuation.

Furthermore, We have attached a list of books that we would like the students to read from this summer. In addition to The Tale of Despereaux, the students will choose two more books from the list. The A-Z Reading level is noted with each book, but students may choose which books they like. These choices will be just to read, with no book report attached.

We know there are some serious book lovers in the third grade, so please don't hesitate to reach out for more summer reading recommendations if the books on the list have already been read.

Warmly,  
Ms. Vaughn and Ms. S
